BUILDING NEWS AND GOSSIP

DAY OF SKYSCRAPERS IS APPROACHING END

Many American Cities Are Following Example of Europe by Restricting Heights of Building.

A great many of our American cities are beginning to realize that the skyacra-per business is being overdone. There has been a great deal of talk in regard to

The building limits in force in the leading cities of Europe are interesting in
this connection. Berlin permits a maximum height of seventy-two feet, but no
buildings can rise higher than the width
of the street. The maximum height in
Cologne and Dusseldorf, known as the
"Park City" of Europe is fifty-six feet
six inches.

Munich draws the line at a building having a ground floor and four stories. In London, in a street less than fifty feet wide, all buildings are limited in height to the width of the street. In wider streets the height is eighty feet wider streets the height is eighty feet. Paris does not permit a height greater than sixty-five feet. In Rome the height is set at seventy-eight feet and six inches.

BUILDING PAGE Plans and specifications are being prepared by Kendall & Smith, architects, for the erection of a dwelling in Columbia road near Fourteenth street northwest. The building will be three stories in height. It will measure 21 feet by 55 feet.

feet by 56 feet.

The dwelling is to be constructed of brick, with a concrete foundation and slate roof. It will be heated by hot water and lighted by electricity. The interior will contain all modern improvements, consisting mostly of tile work. The dwelling will be erected for C. H. Tompkins.

HOUSE TO BE REMODELED.

Residence in Lafayette Square Is Transferred for Business Purposes.

The house at No. 20 Jackson place west, on Lafayette square, ha been transferred from Thomas Blagden to Frank B. Kohlmann. Kohlmann is having plans drawn to re-

This is the third transfer in this square in the past few months. sale was made through the office of Herbert A. Gill & Son, representing both parties to the deal.

at prices within reach of people of modest means. These houses contain all modern con-veniences and have many innovations. The prices will range from \$2,500 for four

rooms and bath to \$5,000 for seven rooms. The spring homeseeker will find some of them ready for occupancy.

The title, Bungalow Villa, will be truly verified. This unique arrangement of a settlement entirely of bungalows creates a charming atmosphere of restfulness and comfort and individuality combined with a highly artistic quality that is seldom seen in speculative build-

NEW BUILDING PROPOSED.

Replace American Five and Ten Cent Store.

Preliminary plans have been prepared by Donn & Deming, architects, for the proposed building on the sits located on the west side of Seventh street, between Market space and D street, formerly ocmarket space and D street, formerly oc-cupied by the American Five and Ten Cent Store. A modern fire-proof structure designed for store purposes may be erect-ed. The old building was recently wrecked by fire.

The property belongs to the estate of the late Fitzhugh Coyle, and is in the hands of the American Security and Trust Company. The property frontage of about fifty feet and a depth of 100 feet. It will be decided in a few days whether the old building is to be remodeled or a new building erected in ts place.
